## AGREEMENT FOR MEASUREMENT OF LOTS

I, the undersigned property owner, hereby agree to pay the City of Oshkosh \$25.00 for the measurement of my lot and approximation of lot boundaries. I understand and acknowledge that the City employee performing this service is not a surveyor and that the measurements **should not** be relied on as legally binding determination lot boundaries. I further agree to hold the City harmless should I choose to rely on the accuracy of the lot boundaries in placing a fence or building a structure.
